1. ESIC, a social security and health scheme for Indian workers, is financed out of contributions from employers and employees and ESIC manages corpus for more than 3 crore Insured Persons (IP).
2. IP Registration is not subject to mandatory Aadhaar seeding and, therefore, an employee may have multiple IP registration numbers due to change of employment
3. The stock number may also change due to the employees who have ceased to pay contribution. This may be due to wage exceeding the statutory ceiling of Rs.21000/- per month/resignation/death/retirement/dismissal.
4. The stock of existing employees paying contributions for a given month is provisional for upto at least six months because of delayed filing of contributions/returns by the employers.
